## Grievance redressal mechanism for faculty, staff and students

- System for Redressal of grievances of faculty, staff and students
- The college follows an open system of administration and grievances from staff and students are given the utmost attention.
- In case of indiscipline, a committee appointed by the principal enquires into the matter by calling witnesses and recommendations are made about the action to be taken by the management.
- Grievances regarding the staff in terms of salary, promotions etc., are carefully looked into by the respective department in consultation with the Principal and remedial measures taken.
- Class Committee meetings are held in which grievances of students are taken note of and remedial measures taken.
- A student welfare officer looks into the welfare of the students and advises the management for necessary action.
