ABOUT THE INSTITUTION

University BDT College of Engineering (UBDTCE), Davanagere, is located in the central part of Karnataka State, India. Started in the year 1951, it was the only Government Engineering College in the state of Karnataka for more than half a century. The College was named after the donors Brahmappa Devendrappa Tavanappanavar (BDT), who donated 1.0 lakh rupees for the construction of buildings.

The College continued as the only Government Engineering College (GBDTCE) affiliated to University of Mysore, until it was transferred to Kuvempu University in June 1992, as a Constituent Engineering College. Later on, with the establishment of Davanagere University, UBDTCE became its Constituent Engineering College in August 2009. Subsequently, the College was transferred to Visvesvaraya Technological University (VTU), Belagavi, in February 2011 as its first Constituent Engineering College.

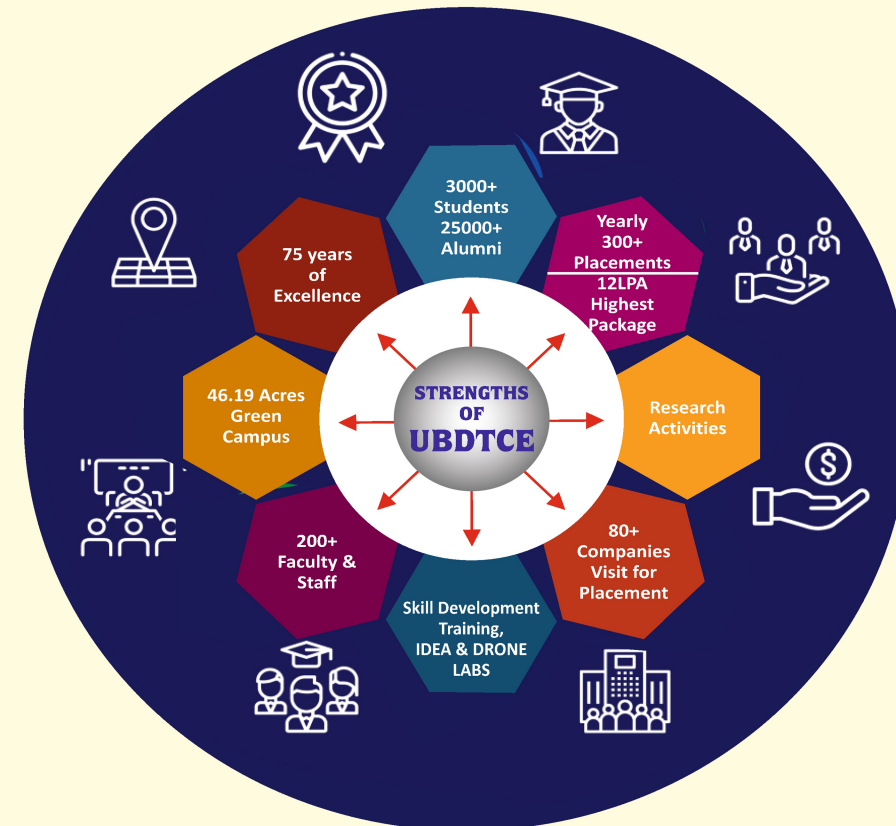

The five departments, namely Civil, Mechanical, E&EE, E&CE and E&IE, have been accredited from the National Board of Accreditation (NBA) from 01-01-2026 to 31-12-2028. This reflects institute's commitment in delivering high-quality and industry-relevant technical education. This recognition affirms that our programs meet rigorous national standards of excellence in teaching, learning, and outcomes. It enhances the value of our graduates, equipping them with skills that are globally competitive. NBA accreditation also signifies our continuous pursuit of academic improvement, innovation and research.

The college is approved by AICTE, New Delhi. Institute offers 7 UG and 7 PG programmes including MBA and MCA. All the Departments in the Institute have been recognized as Research Centres by VTU and offer Ph.D. and M.Sc. (Engg) programmes. More than 187 Research Scholars have received Ph.D. degree and 120 research scholars are pursuing their doctoral degree in various frontiers of Engineering and Technology.

The institute has highly qualified, experienced and dedicated faculty members & supporting staff members to impart quality education in Engineering and Technology to students. Most of the faculty have acquired their Master's and Doctoral degrees from reputed institutions like IISc, IITs, NITs and there are 70 faculty members with Doctoral degrees.
