ISTE STUDENT CHAPTER: 01-01-1982

MEMBERSHIP NUMBER -142

INSTITUTE CODE:KA-045

INSTITUTE VISION

To be a Center of Excellence in Engineering Education and Research with an emphasis on regional and societal needs.

INSTITUTE MISSION

M1- To impart quality technical education through practice based teaching learning process in the present and emerging technological scenario.

M2- To inculcate employability skills, research culture, entrepreneurship, and human values.

About the College

University BDT College of Engineering (UBDTCE), Davanagere, is located in the central part of Karnataka (State), India. Started in the year 1951, it was the only Government Engineering College in the state. The College was named after the donors Bramhappa Devendrappa Tanvanappanavar (BDT), who donated 1.5 lakh rupees for the construction of buildings. ISTE Student Chapter with membership number 142 from 01-01-1982.

About the ISTE

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. Being the only national organisation of educators in the field of Engineering and Technology, ISTE effectively contributes in various missions of the Union Government. The strength of ISTE is the strong base it has in technical education institutions in the country.

ISTE has an Executive Council at National level. It has active membership of more than 128500 technical teachers, 535000 student members, more than 2740 institutional members (including IITs, IISc., NITs and other leading technical institutions), 1414 faculty chapters and 1505 students' chapters at National level and 19 Sections at State Level .

The major objective of the ISTE is to provide quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity and to assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organisations. It organizes an annual convention for faculty and students separately every year where a large number of technocrats, technical teachers, policy makers, experts from the industry etc. participate and interact.

Every year a National Seminar with a specific theme with respect to the latest development in the field of Science and Technology and societal problems is being arranged during the Annual convention and leading luminaries of technical education are invited to deliver special lectures and delegates will present research papers. ISTE is actively involved in many activities conducted by All India Council for Technical Education New Delhi (AICTE) and National Board of Accreditation New Delhi (NBA). ISTE is having collaboration and MoUs with government organisations and various Universities for the promotion of technical education system in the country.

The major objectives of the ISTE are:

- Providing quality training programmes to teachers and administrators of technical institutions to update their knowledge and skills in their fields of activity.
- To assist and contribute in the production and development of top quality professional engineers and technicians needed by the industry and other organisations.
- Providing guidance and training to students to develop better learning skills and personality.

The affairs of the ISTE are managed by a National Executive Council consisting of:

- President,
- Vice Presidents,
- Honorary Treasurer
- Executive Secretary,
- Elected representatives of Sections,
- 6 Nominated Members (at least including one female member)

(Two Vice-Presidents are elected every three years from amongst the Executive Council members)

Overview

An effective membership base consisting of 138581 technical teachers as Life Members, 3212 Institutional Members (including IITs, IISc., NITs and other leading technical institutions), 1467 faculty chapters and 1772 students' chapters and 19 Sections at State level throughout the country.

The major objective of the ISTE is to provide quality training programmes to the teachers and the administrators of technical institutions. This is enabling to update their knowledge and skills in their fields and lead to the production and development of top-quality professional engineers and technicians needed by the industry and other organisations.

Being the leading national organization of educators in the field of engineering and technology ISTE effectively contributes in various missions of the Union Government and coordinates meaningful interaction among technical institutions of Degree/ Diploma levels all over the country through seminars, workshops and conferences. It organizes an annual convention for faculty and students separately every year where a large number of technocrats, technical teachers, policy makers, experts from the industry etc. participate and interact.

Background

The First Meeting of the Association of Principals of Technical Institutions in India was held at Delhi Polytechnic Delhi on Monday, 28th July 1941.

Mr. John Sargent, M.A., C.I.E., Educational Commissioner with Government of India cum Joint Secretary; Department of Education, Health and Lands occupied the Chair.

Principals from Delhi, Calcutta, Assam, Dhanbad, Bombay, Hyderabad, Agra, Pune, Howrah, Baroda, Karachi, Roorkee, Aligarh, Banaras, Patna, Lucknow were responsible for the preparation of APTI (I)'s Constitution and its Objectives.

The Meeting of A.P.T.I. (I) held at the University of Mysore, Mysore in 1968 took a decision to wind up voluntarily in favour of a newly Registered Society under the name "**Indian Society for Technical Education**" (ISTE) which was already registered as a Society under the Societies Registration Act of 1860 on 21st May 1968 in New Delhi.

Code of Conduct

FOR ISTE MEMBERS

The following Code of Professional Conduct and Ethics shall be applicable to office bearers and members of all categories of the Society:

- Members should at all times preserve the dignity and interest of the profession and of the Society by maintaining a high standard of professional and personal conduct;
- They should work in the best interest of the Society;

- They should neither engage in personal advertisement, nor canvas for an appointment, nor take any action which is detrimental to sister Institutions;
- They should at all times endeavour to establish and maintain the best possible conditions of service for their colleagues and other staff;
- When a Member represents the Society, he should as far as possible state the policy of the Society. If he has any disagreement with a policy of the Society, he may so inform the Society. The Executive Council will then decide the further course of action (including the question of the Society's representation) that is to be taken.
- Where, having regard to this Code of Conduct a Member wishes to make a complaint against another Member of the Society, he should do so in writing to the Executive Council. If the Executive Council is of the opinion that prima-facie case of infringement of the Code of Conduct has been established it will appoint a Committee for investigation. On the basis of the report of the Committee, the Executive Council will take a final decision on the matter.

FOR ENGINEERING TEACHERS DEALING WITH STUDENTS

- Deal justly and impartially with students regardless of their social, economic, regional and religious background.
- Recognise the differences among students and seek to meet their individual needs.
- Encourage students to work for higher individual goals. Aid students to develop an understanding and appreciation not only of opportunities and benefits but also responsibilities.
- Inculcate in students respect for teachers, love towards fellow students and loyalty to institution and the country.
- Acquaint students with civic responsibilities and environmental protection.
- Never use students to solve his/her personal problems.
- Accept no remuneration for tutoring except in accordance with approved policies of Government / Institutions.

Incentives to ISTE Student Chapters

Best Students Chapter Award

All Students Chapters Managing Committees are requested to kindly select one best student from their Student Chapter on the basis of overall performance of the student members. The name of student selected may please be sent to their Section. The ISTE Section will give the Best Student Award to the Students during the Section Level Convention. Student Chapters are kindly requested to get in touch with their Section regarding date, time and venue of the Convention.

Annual Convention of ISTE Student Members

- Quiz programmes
- Cultural programmes
- Exhibition of project work.

Financial support for the Convention may be sought from State Government, Universities, Industries and other Agencies.

The Principal/Management of the Institution is requested to provide TA/ DA to the ISTE Student Members, from the funds of the Institution ISTE Students Chapter, for attending the above mentioned activities.

REVISION OF ISTE STUDENTS MEMBERSHIP FEES

The student membership fee has been revised and the revised fees given below w.e.f. 1/1/2018

	<u>STUDENT MEMBERSHIP</u>			
	-MBA /M Tech. Students 2 yrs PG course	Rs.	150 + 27	=Rs. 177/- per student
	-MCA Students 3yrs PG course	Rs.	200 + 36	=Rs. 236/- per student
	-3 yrs Diploma in Engg. & Tech (Polytechnic)	Rs.	200 + 36	=Rs. 236/- per student
	-BE/B.TECH/B. Pharma/HMCT(4Yrs)	Rs.	250 + 45	=Rs. 295/- per student
	-Student Membership Fee B.Arch. (5 yrs)	Rs.	300 + 54	=Rs. 354/- per student

Establishment of ISTE Students Chapter

STEP BY STEP PROCEDURE

- Minimum strength to establish ISTE student chapter (first time) in AICTE approved institution is 100 students or 50% of annual intake (whichever is less) provided institute is institutional member of ISTE first.
- Student Chapter formation certificates, receipt & Cards to students will be issued online for entire duration of the course initially in their first year.
- On receipt of the above details, **Student members to elect the following office bearers** and send the list to ISTE Headquarters :
 - Student Chairperson
 - 3 to 7 members

Arrange the inauguration of the Chapter in a befitting function and conduct the following activities:

- Organise weekly quiz programmes for members.
- Organise lectures by experts from industry, R&D organisations, defence services, government departments and other institutions.
- Coaching programme for writing competitive examinations and attending job interview.
- Training programme on report writing, Project Management
- Cultural programmes
- Counselling Services
- Entrepreneurship development programmes
- Lectures on Moral Values and Ethics
- Discussions, brain-storming sessions, group activities
- Training in public speaking
- Training in becoming a Master Student
- Visits to industry, work sites
- Programmes in leadership and personality development
- Training in co-operative learning
- Training on Environmental Awareness
- Training on Basic Management Skills

- The proportionate share of the Bank interest on the Life Membership fee shall be remitted to the Chapter on receipt of the satisfactory report of Activities and Audited Statement of Accounts for the preceding year from the Chapter through proper channel. The request for the release of the Chapter share should be sent to the Headquarters during the month of July of every year.

- Student Chapter can retain their share 50% of basic fee out of total fee collected and send the rest amount to ISTE Delhi for necessary action.

- **ONLINE MEMBERSHIP PORTAL**

- From January 2022, ISTE has launched Online Portal for all membership related work viz. new application for Institutional Membership, Life Membership, Student Membership and payment of fee via the same ONLINE PORTAL. All the recognised Technical Institutions/Institutional Members of ISTE/AICTE approved engineering colleges (degree & diploma)/Polytechnics/Life Members of ISTE requested to kindly utilize this Online Web Portal for applying and making payments as no manual form or DD will be accepted.
