SELF-LEARNING ACTIVITIES :

1. VTU e-Learning Centre (<https://elearning.vtu.ac.in/index.php>)

The VTU e-Learning Centre was established in August 2003 in Mysuru with an objective to facilitate supplementary teaching learning process and training to the students and faculty of VTU through web-based technology. Currently, VTU e-Learning Centre has migrated from satellite based EDUSAT programme to web-based e-Shikshana programme.

The objectives are:

- Create e-Shikshana web-based distance education facility using Network Multimedia Based Data Broadcasting System (NMBDBS)
- Collect, process and disseminate content developed by the faculty drawn from both academia and industry.
- Create web-based e-Learning facility
- Provide interaction/guidance/feedback tools to learners and act as a facilitator between the experts and the stake holders
- Supplement the conventional system of training and education and bring uniformity in technical education
- Explore the possibility of using the e-Shikshana network for administrative purposes and other activities of the VTU

A. VTU LMS: Centre for Distance Education and Online Education
(<http://lms.vtu.ac.in/moodle/>)

B. Access to NPTEL / SWYAM Courses

C. Department Library for the Program Specific learning.

D. VTU Library has initiated the (UDR) University Digital Repository services with the aim of centralized and organized hub for all types of digital content produced by the university via VTU official website www.vtu.ac.in and <http://library.vtu.ac.in>.

E. The students are provided with the following facilities for the self-learning VTU Edusat, VTU E-learning, NPTEL,
